BRODHEAD

Bane Carson, Assistant Cashier of the Tellico Bank & Trust Co. of Tellico Plains, Tenn., has been with his parents, Mr. and Mrs. W. A. Carson, since Wednesday of last week. He will return the latter part of this week. While here he subscribed for stock in the new fair, and left his check for 50 per cent call.—Mrs. J. M. Owens and daughter, Mrs. G. F. Sutton were in Mt. Vernon Thursday of last week.—F. Francisco and little grandson, Larry Sproule, returned the first of the week, from a weeks visit to relatives in Lafayette, Tenn., and Williamsburg, Ky.—Mr. and Mrs. B. R. Wilmott are spending a few days with her parents, Mr. and Mrs. J. J. McCull in Maresburg.—Uncle Larkin Hicks is on the sick list this week.—Mr. and Mrs. W. S. Haggard are rejoicing over the arrival of a baby boy.—Mr. and Mrs. Fred L. Durham, and little son Austin Sparks, and Miss Hazel Reynolds were with relatives here over Sunday.—Geo. W. Reynolds was visiting in the Bee Lick section last week.—Mrs. J. J. Albright was at home from the Kentucky State Normal at Richmond from Saturday until Monday.—Born to the wife of Jim Hughes last week a boy.—Miss Etta Sowder is clerk at the local post office now.—T. J.

Hilton died at his home Monday and was buried at the Methodist church cemetery Tuesday afternoon.—C. Kraemer, manager of the Knobs Essential Oil Co., is at his home in Louisville this week on account of attending the graduating exercise in which his daughter graduates.—Miss Mary Wilson, of Crab Orchard, was visiting relatives here Wednesday.—U. A. Wheelton, one of Mt. Vernon's barbers, was with home folks Sunday.—Joe the Wait, or Pet of the Camp will be presented at Proctor School House tomorrow evening. Doors open at 7 o'clock or earlier, and play will begin at about 7:30. If you attend you will not regret it.—Dr. W. F. Crtter sold about 40 acres of land to Oscar Spoonamore for \$1,000.—Don't forget the play at Quail tomorrow night, if you miss it you will always regret it.—Brothead's City Marshal "hab squatted" do premises, and his bondsmen are wondering "O where shall he be"—At the end of the fifth month of the Brothead Graded School, the following pupils made the highest grade: First grade, Warren Shafer; Second Grade, William Cass; Third Grade, W. T. Brooks, Jr.; Fourth Grade, Nina Albright and Lena Wallin; Fifth Grade, Emma Profit; Sixth Grade, Orrin Wallin; Seventh Grade, Shirley Adams; Eighth Grade, Riberta Storm; Ninth Grade, Anna Cass; and Tenth Grade, Mary Proctor. We feel that these pupils deserve special mention, and we hope that other pupils will reach these positions next examination.—We are unable to understand why it is that some people in our county are so prejudice against the Brothead Fair. We have always tried to treat those who have attended our fairs courteously, and as we would like to have been treated, and some of these very individuals are the ones that have put on long faces because the judgment that was secured against the old Rockcastle County Fair Association did not put a stop to the fair in these parts. Some of the faces have grown so long that the barbers have raised the price of a shave, and all because that Brothead is going to have another fair. It is often the case when any kind of an enterprise is a success that some people are so narrow that they can not help but show themselves in opposition, and some of these folks would not be holding exalted positions today had it not been for the loyalty of the Brothead citizens. Now we know that these things are facts, and we expect to have an opportunity in the future to show these parties how much we appreciate this kind of treatment. We are going to have the biggest fair ever pulled off in Rockcastle, and we hope that the knockers and kickers will keep up their knocking and kicking because it helps to turn the tide this our way. Work began last Monday, and if there is a man in county that is from "Missouri" come down and we will "show" him where The Kentucky State Fair (the second) will be held.

LIVINGSTON.

The Junior Order are building a hall here. They have a large membership and think it would be cheaper to build than to rent.—Buck Howard has purchased farm from Abe Evans, price paid \$190.—J. H. Browning is on the sick list.—David Rambo was in Stanford, Wednesday.—George Jenkins has returned from Lebanon Junction.—Miss Myrtle Southerland, after a few days' visit with Mrs. George Martin, has returned home.—Mrs. John Mullins has been very sick but is better at this time.—We were informed the other day that Mart Hicks was carrying water a half mile to run his mill. Now that it has rained, we guess Mart will have an extra hand.—We understand there is a movement on foot whereby Livingston is soon to have electric lights. This has been the talk in Mt. Vernon for some time and now it we can get there first, we will still be in the lead, as we are always six to Mt. Vernon's half dozen anyway.—Fullen Francisco of Brothead, was here between trains Sunday, enroute home from Corbin.—The Livingston Lumber Co started their saw mill Wednesday.—Elbert Mullins, of Mr. Vernon, was here a few days this week.—Edison, the wonderful inventor, after all of his wonderful inventions has at last struck the key note. He has invented an automatic switch board that can handle 150 phones, and we wish to make a suggestion to the telephone company that they install one at Mt. Vernon, not that we believe that Mr. Maret is not competent to handle the business but we always liked him and many such spells as he took the day we were there, we will say there is no mortal man that can stand such very long. Mr. Maret may not look at this in the light that we do, but it is for his benefit that we make this suggestion. We have been told that his neighbors have rushed out of bed at the dead hour of midnight, thinking that there was a pitch battle about to be fought, but when they found out what the confusion really was, it was only Maret answering calls over the phone.—Mrs. J. W. Baker, Jr., of Mt. Vernon, is visiting her parents, Mr. and Mrs. P. M. Deese.—There are quite a number of our citizens summoned to Mt. Vernon for Thursday to go before Judge G. M. Ballard to tell

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Good Bill.—Shelton Saufley was in Danville yesterday afternoon and stated to the Advocate that a mistake had been made; that he is not the author of the bill providing for building roads thru the mountains at the public expense. Saufley's bill provides that the automobile license from each county is to be returned to that county to be used in road building. If his bill is passed Boyle county would get all the license money paid by local automobile users. It is said that Gov. McCreary made a speech to the Legislature endorsing other road bills, which appropriates money for road building in the mountains. The mountains are rich in mineral resources and should build their own roads. The State now head over heels in debt and an effort to liquidate should be made rather than efforts to get deeper in debt. —Danville Advocate.

Who built the large portion of the pikes of Boyle county and Central Kentucky? Why the State did. Its all right so long as the Blue Grass gets the favors but let some legislator suggest State aid to roads in the mountains then the Advocate howls. Well there is going to be State aid extended all the same some day notwithstanding the Advocate and little politicians.

THE CHAMARON, Kansas. Commercial Club has adopted the following slogan "The blamed fool didn't know it couldn't be done so he went and done it." Its a good idea. Others would be benefitted by adopting it.

Frankfort, Ky., Feb. 10.—Hundreds of convicts now confined in the Frankfort Reformatory and the Eddyville Penitentiary probably will be given their freedom in the near future, as the result of a decision handed down this morning by Judge Settle, for the Court of Appeals, in which he construed the indeterminate sentence law, passed by the Legislature in 1910, as meaning that convicts, after serving their minimum sentences, are eligible for immediate parole providing their conduct for the prescribed period has been in accord with the prison rules.

The decision came in the case of John DeMoss, of Covington, who was sentenced to the penitentiary at Eddyville in 1910 on a charge of man-slaughter for a term of from two to twenty-one years. At the end of his minimum term DeMoss asked for a parole, which was refused by the board. He then entered suit, alleging that the law provided that he was eligible after having served the minimum sentence. The case was brought in the Franklin Circuit Court, the judgment of which was appealed to the Court of Appeals and today's decision affirms that judgment, in which DeMoss was granted a writ of mandamus compelling the Board of Prison Commissioners to release him.

The court held, in effect, that after a prisoner serving an indeterminate term has complied with conditions of the law and served the minimum period he is entitled to parole, and Board of Prison Commissioners has no discretion, but must grant it. A bill is pending to repeal the indeterminate sentence law, and will be called out of committee and placed in the House calendar. It was decided however, in a previous case, involving the parole law, that after a prisoner is eligible to it, the rights have accrued to him that a change in the law will not affect, so those prisoners now entitled to parole will not be prevented from getting it by repeal of the law.

THEY PREFER OURS

No Wonder,
Simple as A B C.
Ours Cost Less
Ours Wear Better
They Have More
Style

It's about as difficult to describe these new clothes as to write about the prettiest girl at a Leap Year Party. You've got to see her with your own eyes. Maybe you'll like her—if you don't there are others. So, if one suit doesn't please you, we've another. It's a question of taste. Prices? That lies with you. The better the clothes you buy, the longer they last and the better they look while you're wearing them. But everyone prefers ours. They are best.

The Helping Hand

you can most surely depend upon in time of trouble is your bank account. Better start to acquire a big one by depositing what you have in The Bank of Mt. Vernon. You'll find the necessity of thinking before paying a great incentive to saving. When trouble comes what you have been prevented from frittering away will make a comfortable balance.

Kern County, California Wants Farmers

Kern County has room for 200,000 settlers. This may seem impossible to you but not so when you know that Kern is as big as the whole State of Massachusetts. It is a wonderful county and hundreds are making good here.

We have issued a beautiful booklet telling much about Kern County. This booklet will be sent to you free, together with a map of California and a copy of SUNSET MAGAZINE, the monthly guide of the homeseeker and settler, if you will send us ten cents in stamps to help defray the cost of mailing.

A strong fight is being made
among the citizens that Mt. Ver-
non should have a Curfew law, and
a delegation of representative
citizens will appear before the town
board at their next meeting and
ask that the law be passed. When
parents can't or don't try to keep
the young boys off the street at
the unearthly hours, that the
young boys are sometimes seen
roaming the streets, we believe it
is time for the law to take a hand
and see that they are kept in.

FARMERS:—When you want
your property insured remember
that the Home Insurance Co. of
New York, is still writing farm
business on installment plan in
Rockcastle. Since the Continental
has withdrawn the Home is the
only company that will write on
the installment. When you get a
policy in the Home with its three
million dollar capital, you get the
best and safest insurance to be
had and don't pay any more for it.
Farmers, when you want a policy,
just drop us a line, and our Rep-
resentative will call and see you at
once.

Several families have measles,
but as it is evident that in each
and every case the spread of the
disease was from the same source
there is but little danger now of a
further spread of that disease.

Isaac Ray, grandson of Daniel
Boone (Ike) Bowman arrived here
Tuesday morning from Storkland
and has taken lodging at Harve
Bowman's in West end of town.

The youngster will be able to vote
for his uncle Felix for County
Clerk in 1935 but hopes to ride in
automobiles over Boone Way
many many years before that time.

The newly elected Fiscal Court
met Monday and had a general
overhauling of affairs. The ques-
tion of reduction of salaries was
first considered and while the
question was not fully decided,
yet for the present the sheriff was
ordered to pay the County Judge
and County Superintendent whose
salaries are paid monthly and
quarterly, the sum of \$50. per
month. The question of salary
will be finally determined at the
October term. The Court house
Janitor was done away with and
the pauper business was taken out
of the hands of the Pauper Com-
mittee and placed in charge of the
Magistrates, each Magistrate to
look after his own districts.

Miss McCord, who is State
Chairman of the Good Roads
Committee of the Kentucky Fed-
eration of Woman's Clubs, makes
the following request: That every
citizen of Mt. Vernon and Rock-
castle county do every thing in
his power to further the cause of
Good Roads during the present
session of the Legislature.

Our Representatives want to do
what the people want done.

Will you not write Senator Bos-
worth and Rep. C. R. Luker, ask-
ing them to promote and vote for
Senate Bill No. 236, and House
Bill No. 395, which provides for
a small amount of aid to each
county in the construction of a
model object lesson road for the
county. Also ask them to vote
for Constitutional amendment,
providing for convict labor on
public roads. Do it now. Good
Roads mean better business,
Good Roads mean better homes,
Good Roads mean better schools,
Good Roads mean better churches.
All together mean a better Ken-
tucky.

LANGDON MEMORIAL NOTES

The Basketry classes which were
organized last fall are greatly en-
joyed by the pupils and excellent
results are being obtained.

A class in dress making has re-
cently been organized. This class
is open not only to High School
girls who live in the Dormitory
but to any girls of High School
age, who care to attend. The
class meets every Tuesday at 3.30
o'clock. The Saturday evening
social hour, always a regular fea-
ture of the school life, has become
a very much enjoyed event by
all the girls. The evening is in
charge of the chaperone, teacher
of the week, assisted by a com-
mittee of the students, who act as
hostesses.

Mrs. Dantzler and Miss Noel
were delightful guests at the
Dormitory during their stay in
Mt. Vernon. Their visit was a
source of great pleasure to all.

Miss McCord who has been
sick for more than a week suffer-
ing from an attack of tonsillitis is
recovering, and hopes to be out
soon.

C. C. Cox will open a line of
merchandise in the east room of
the Cox building.

The people of Mt. Vernon were
delightfully entertained on last
Tuesday evening by Mrs. Mary
Dantzler of Lexington, Contralto,
assisted by Miss Corinne Noel,
Soprano. Mrs. Dantzler has a
very full, rich voice which she
controls admirably. Miss Noel a
clear, high and very sweet soprano.
The entire program was well
chosen and well rendered, the
blending of their voices in the
duet numbers producing a most
pleasing effect. Mrs. Dantzler,
as well as Miss Noel, has a very
pleasing personality, affecting no
mannerism, and delighting her
audience with her simplicity and
dignity.

This concert was the first num-
ber of the Lyceum course which
is being presented under the aus-
pices of the Woman's Club. The
Club deserves great credit for se-
curing artists of such high merit
for Mt. Vernon.

WORK FOR WOMEN'S CLUBS

A report of the Sage Founda-
tion shows that in this county y
we average three theaters, three
public halls, twelve churches, ten
schools, two hospitals, two
asylums, two colleges, two jails
and twenty-six hotels burned
every week in the year.

People are not compelled to go
to theaters and public halls, or
even to churches and hotels; so
we may perhaps leave them to the
large risk of incineration that
these statistics reveal. But we
make children go to school; conse-
quently we might reasonably take
some pains and expense to see
that they are not burned up.

Only a little pains and slight
expense are needed. All school
buildings can be made panic-proof
by proper exits; electric wires
can be insulated; construction that
makes a building like a stove with
an ever-ready draft to fan any
flame can be corrected; waste and
unprotected woodwork can be
kept away from the furnace; hot
ashes need not be thrown into
wooden barrels.—In fact, the school
fires investigated by the Sage
Foundation were attributable in
practically every case to the gross-
est neglect.

The trouble is, we think of a
school hazard as probably existing
over in the next county, or away
off in New York or San Francisco,
rather than in the very building,
which our children attend.

Facts like these remind us that
our own Graded school is inade-
quately supplied with means of
exit. This is especially true when
large crowds are assembled in the
chapel. Because of the drain on
the school treasury in adding two
teachers this year, attempts at
being made to raise money by
private subscription. It has been
suggested that another door be
cut from the chapel into the hall,
that a ladder be kept upon the
roof of the front porch, and that
fire escapes be placed on the north
of the building. If you would
like to aid in this safe-guard for
our boys and girls, hand your
subscription to Mr. C. C. Davis,
treasurer of the school board, or
be ready when the committee calls
upon you. The expense will not
be great.

often leads to serious results. The

BOYS!
I Feel Good!

WHEN I BEGAN DOING BUSINESS WITH THE PEOPLES BANK

four years ago, I had but \$5.00 to deposit. My business with
the Bank for the first year did not amount to much, but the
Cashier seemed to appreciate it, and treated me just like I had
a million on deposit with him. Naturally, I felt encouraged
and I said to my wife one night, "Mary, you just watch what
a difference there will be in 'Bill's Bank Account' next year."
Well, to make a long story short, I kept adding to my deposits;
the Bank paid me 3 per cent interest on Savings Deposits, with
interest compounded semi-annually. I made three real estate
trades in which I made nice money—all went to my credit
with PEOPLES BANK—and to day "Bill's" Bank Account
is "Some Punkins." Now, Boys, if you have got the deter-
mination and grit and a little bit of "old horse" sense, go to
the PEOPLES BANK—start a little account—get a Bank Book
with your name on it—go in to win and you can do as well as

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vin-
cent Was Unable to Attend to
Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for
three summers," writes Mrs. Walter
Vincent, of this town, "and the third and
last time, was my worst.

I had dreadful nervous headaches and
prostration, and was scarcely able to
walk about. Could not do any of my
housework.

I also had dreadful pains in my back
and sides and when one of those weak,
sinking spells would come on me, I
would have to give up and lie down,
until it wore off.

I was certainly in a dreadful state of
health, when I finally decided to try
Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't
taken it.

After I began taking Cardui, I was
greatly helped, and all three bottles re-
lieved me entirely.

I fattened up, and grew so much
stronger in three months, I felt like an-
other person altogether."

Cardui is purely vegetable and gentle-
acting. Its ingredients have a mild, tonic
effect, on the womanly constitution.

Cardui makes for increased strength,
improves the appetite, tones up the ner-
vous system, and helps to make pale,
sallow cheeks, fresh and rosy.

Cardui has helped more than a million
weak women, during the past 50 years.
It will surely do for you, what it has
done for them. Try Cardui today.
